Ages and Levels: Classes are divided by age and dance experience.

Tiny Talents-18 month-3 year's parent/child class. .

Creative Kids and Rhythmic Kids- ages 3-5. Older children (4 and 5) who do not have 1 or more semesters of dance should join this class. Advanced Creative kids-ages 4-6 is for kids w/ dance experience but not ready to move up to an hour long technique class.

Creative Technique- ages 4.5-7. These are our beginning level classes for older kids (6 and 7) and advanced class for younger kids who have studied dance for 2 or more semesters. This is a drop off class! Parents are invited to stay only during observation weeks.

Level 1- various age groupings. It is recommended that younger students have 1 or more semesters of a creative technique class or equivalent.

Level 2-various age groupings. For students who have had 2 or more semesters in level 1. Teacher approval may be required.

Level 3 Program- for students 8+. Students must have several semesters of dance technique, demonstrate a clear understanding of body alignment, ballet vocabulary and be dedicated and focused student. Teacher approval may be required. To be in Level 3 Program student must be enrolled in 3 or more classes per week. Additional performance opportunities thru out the year.

Magic in Motion Dance Company- All level 2 and 3 students encouraged to audition. Day/Time TBA.

For a full class description visit www.dncspace.com or see our brochure.

We teach age and developmentally appropriate classes. Large classes and classes with a broad age/level range often have 2 instructors.
