

Where Creativity Flows and The Joy of Dance Lives

The Dance Space
Registration Open House
Saturday, August 14th
10am-1pm

10:00-10:30 Creative Kids ages 3-5 Our special creative dance class introduces our youngest dancers to the art of dance thru creative exploration of movement using stories, props, games and lots of music! This class helps to develop body awareness, socialization, physical and verbal expression and self confidence (I can do it by myself!) Professional educators Ms. Lily and Ms. Jenny team up for a dynamic and fun imaginative journey thru movement.

Musical Theatre ages 4.5-7 This class combines the performing arts of singing, dancing and acting to create and tell stories. In class, students learn the basics of tap and jazz dance, creative drama and fun songs.

11:00-11:30 Creative Hip Hop ages 4.5-7 Our super funky, energetic and FUN beginning level hip hop class! Students learn basic hip hop and breakdance skills along with upbeat choreography (dances). All music and movement is Wholesome and Age Appropriate! The focus of creative hip hop is on the energetic and self expressive elements of hip hop.

11:30-12:00 Performance Workshop 7+ Our Special Singing, Acting, Dancing and Performing class. Students in Performance Workshop have a blast learning important performance skills as they help to create a musical story to perform at the end of the semester. Performance Workshop class meets 2-3:30 during the fall semester with longer or extra rehearsals called during the end of semester. Counts as 2 classes.

12:00-12:30 Tumbling 5+ All dancers and athletes need to be flexible, strong and coordinated! Tumbling builds these skills! This non-competitive tumbling class is a perfect partner class to go with any dance class. Learn how to roll, cartwheel, backbend and more with safety, ease and grace!

12:30-1:00 Hip Hop/House 8+ When taught appropriately, hip hop is an excellent teaching tool to teach body awareness, creativity, develop personal style and self confidence. We have three wonderful hip hop teachers! Each teacher represents her own background and style thru her choice in music and choreography. All of our hip hop classes are taught to age appropriate music and movement (something to be aware of with all hip hop style music!)

Join us for our Registration Open House and receive special discounts!

New Student discounts: Registration Fee only \$10 (normally \$20) for new students. Bring a friend (and you both enroll) and receive \$5 discount on single class package and \$10 on two classes!

Continuing/Returning Students: Registration Fee waived! Bring a friend and you both receive sibling discount (15%) if you enroll for 2 or more class package!

All students who attend the open house receive a special parents night out pass!

Open House classes are offered as 30 min. sample classes. For the Open House classes are often larger and have a larger than normal age and levels range.
